This submission is in reference to the Federal Election Committee's January 30, 2002 and the second letter on February 21, 2002. The Commission requested that Schedule B of the Television and Radio Political Action Committee's (FEC #C000009985) explain how committee limits could have been exceeded to Senator Ted Stevens of Alaska.

The money noted on the June Monthly Report (5/1/01 - 5/31/01), which is being questioned, was donated to a joint fundraising committee to be distributed by the legal guidelines pursuant to their agreement.

The Television and Radio Political Action Committee is seen by the FEC to be over the contribution limit to Senator Ted Stevens by \$1,666.66. This amount has been noted to my committee as well as by the joint fundraising committee. A refund of \$1,000.00 will be noted in the March Monthly Report (2/1/02 - 2/28/02). A letter has been sent to the joint fundraising committee, named Stevens Victory Committee, to request the additional amount of \$666.66 also be refunded to meet FEC contribution guidelines.

This submission has been discussed by phone with my Reports Analyst, Mr. Jim Krebs and my attorney, Mr. Bill Canfield.
